

Indian Labour Rights ML Dataset - Multilingual Expanded Edition

Version 5.0

Languages: English, Hindi, Hinglish, Gujarati

44 Intents | 5280 Training Queries

Training content only; outcomes depend on jurisdiction, worker category, facts, rules, and current law.

Note on rendering: this PDF was generated in an offline environment without a dedicated Devanagari/Gujarati text-shaping font. Hindi and Gujarati queries are reproduced using a universal fallback font, so conjunct letters and vowel signs may appear as separate characters rather than fully shaped ligatures. All characters are present and the JSON source data is unaffected — only the visual typesetting of Hindi/Gujarati in this PDF is approximate.
